

NOMA CEU class 2026

Title of class

The origin of 5 element and its physical evidence

Instructor:

Dr. Bruce Ying Shu Chan: LAC15636

1. Chemistry bs uc Berkeley

2. TCM Alhambra medical university

3. He has been teaching his unique TCM treatment methodologies regularly in his clinic for many years. He is one of very rare disciples of the famous TCM doctor of Taiwan, doctor LiangChuan Lin. He combines his vast knowledge of human anatomy with acupuncture points and herbal medicine which makes the delivery of TCM treatment very effectively.
